5. Contest Procedures

1) Step 1

- Plan and produce a video considering contest categories.
- (or) You can also use videos made previously.

2) Step 2

- Upload the video to your own or team's YouTube channel.
- Arrange the video privacy setting to 'Public' or 'Unlisted.'

3) Step 3

- After uploading the video to the YouTube channel, copy the 'sharing' link information.
- Click on the Apply menu at the top of K-Language Festa website to complete the application.

6. Contest Rules

- The video's running time should be within 10 minutes. All videos must have subtitles inserted through the 'YouTube Studio' (separate from subtitles encoded and inserted in the video itself). Basically, accurate and well-arranged Korean subtitles should be inserted but other language subtitles can also be inserted.
- The resolution of the video should be FHD or higher. (4K, 8K, etc. are possible.)
- An individual or a team can apply for multiple categories and multiple videos for the contest. Several videos whose contents are connected to each other can be applied to the contest. However, in this case, the videos are regarded as one video work.
- Videos that have been produced in the past or already exist on an individual's or a team's YouTube channel can also be applied for the contest if they can abide by the rules of 1, 2, and 3 above.
- If there is a part of the video content made using the conversion effect of the photos, that part should not exceed 30% of the video amount.
- It should be a video that has never won a prize by submitting to other video contests in any countries.
- It should be a video without copyright problems(All responsibilities arising in connection with this must be handled by the applicants).
- Contents that contain political messages or hinders moral values such as hatred and discrimination cannot be applied
